# WHO IS JEFF?

After 15+ years as a motorcycle gang leader, followed by a 6 year crack addiction, and 3 years of homelessness, Jeff had hit rock bottom. In 2007, Jeff walked in to a church and found what he'd been looking for his entire life: a healthy place to "fit in." Within the Body of Christ, Jeff found hope, and freedom. Now, Jeff spends his days riding for Christ's sake.

9 years later, Jeff founded Broken Chains JC, the "Official" biker arm of the Celebrate Recovery Ministry. It is the fastest growing Christian Biker Fellowship in the world. With over 5000 members in all 50 states and 10 countries around the world, Broken Chains JC members are an army of Hope Dealers, sharing the Good News and that "Change is Possible"!

Since March 2017, Jeff has hit the road as a Motorcycle Missionary. A Motorcycle Missionary is a Christian biker who uses the motorcycle lifestyle to break down barriers that keep people from knowing the freedom and hope that are available in Jesus Christ. In the years since, he's ridden over 90,000 miles, to speak at over 350 churches. But God is also using Jeff at the gas stations, restaurants, motorcycle shops, hotels, homeless shelters, and treatment centers to reach people that might not hear the message of hope, the Good News, from anyone else.

Jeff is a missionary, husband, father, grandfather, author, business owner, national recovery leader, and an actor.

## INTRODUCING JEFF

If you need help introducing Jeff, please use this template:

It is our pleasure to have Jeff Stultz, the Motorcycle Missionary, here with us today. After 15+ years as a motorcycle gang leader, followed by a 6 year crack addiction, and 3 years of homelessness, Jeff had hit rock bottom. In 2007, Jeff walked in to a church and found what he'd been looking for his entire life: a healthy place to "fit in." Within the Body of Christ, Jeff found hope and freedom. Now, Jeff spends his days riding for Christ's sake. Let's all warmly welcome Jeff!

**Thank you so much for being interested in hearing from Jeff Stultz! Jeff is the founder of the nonprofit Motorcycle Missionary and Founder/National Director of Broken Chains JC. Jeff is a missionary, husband, father, grandfather, author, business owner, national recovery leader, and actor.**

## **Here are a few logistics for his visit:**

### **Presentation & WiFi**

**Jeff liked his sermon bumper to play as he walks to the pulpit. Please let Jeff know before his arrival if you have the ability for a slide deck to be shown to the audience while Jeff is speaking. Jeff uses a hotspot, but if WiFi is available that is preferred.**

### **Announcement**

**As you welcome Jeff to come up, please also make sure to announce that a Broken Chains group picture will be taken at the end of the service at your preferred location.**

### **Parking**

**Jeff prefers to park his bike under an awning or a spot close to where people walk in. This helps to make the bike visible and expedite the unloading and loading process.**

### **Pet Policy**

**Jeff's dog Grateful has joined the ministry as a type of service dog helping drive the conversations needed to make spiritual connections.**

### **Resource Table**

**Jeff will need a resources table to set merchandise. We will need a volunteer to help watch the table. This person needs to stay at the table for the entire meeting. This will allow Jeff time to make connections with people and develops relationships that are critical to support a full-time missionary.**

### **Reserved Seats**

**Jeff needs reserved seats up front for his any guests. The number of seats needed will be in the cover letter.**

### **Refreshments**

**Jeff needs room-temperature bottled water while speaking. His preferred soda is Diet Coke. He is on a low-carb diet so please keep that in mind when offering food**

## **Talking Points for interviews:**

- 1. Tell me about your childhood**
- 2. How long did you serve in the military? What caused your military career to end?**
- 3. How did you end up the president of a motorcycle club?**
- 4. How long were you homeless and how did you escape that lifestyle?**
- 5. Tell us about the day you got saved, did everything miraculously become perfect after that?**
- 6. What has been your greatest attribute to staying sober?**
- 7. Tell us about Broken Chains**
- 8. How is Christ using you and your wife today in His mission?**
- 9. How can people support you in your cause?**
- 10. Tell us about Grateful**

# WHAT PEOPLE ARE SAYING

The REAL HOPE Dealer | August 23, 2022

Early on in my recovery I stumbled across Jeff's book called "HOPE DEALER!" I read the book in one sitting which was HUGE for me since I am not a avid reader. This single book resonated deeply in my life that I decided to say "yes" to God and start a new Celebrate Recovery group at IGNITE Church in Woodward OK. Six month later I was a Broken Chains member that included hosting Jeff at our first ever community event. This brother has inspired my recovery and walk with the LORD. He is the REAL deal who loves people unconditionally! Proud and honored to call Jeff my friend and brother. Nothing but RESPECT for his mission and purpose in LIFE!
